Parking

There are several NCP and Birmingham City Council car parks in close vicinity to our offices. In addition, there are also on-street parking spaces in surrounding areas such as Colmore Row, Waterloo Street and Newhall Street.

We recommend parking in Snowhill Station car park, a large and easily accessible pay and display car park only a few minutes walk from our offices.

Directions from the M6

Exit the M6 at junction 6 and take the A38(M), sign-posted Birmingham City Centre. Follow the signs for the Inner Ring Road South and proceed over the flyover. On leaving the flyover, move over to the left-hand lane to approach St Chad's Circus roundabout. Take the second exit off the roundabout and go under the bridge. Turn immediately left into Livery Street and proceed up the hill. Snowhill Station is on your left-hand side and the entrance to Snowhill Station car park is towards the top of the hill also on your left-hand side.

Directions from the M5

Exit the M5 at junction 3 and take the A456 towards Birmingham City Centre. Follow the signs for the City Centre until you reach the Paradise Circus roundabout. Take the second exit and proceed down Great Charles Street. Keeping left, approach the St Chad's Circus roundabout and take the fifth exit. Go under the bridge and turn immediately left into Livery Street and proceed up the hill. Snowhill Station is on your left-hand side and the entrance to Snowhill Station car park is towards the top of the hill also on your left-hand side.

Public Transport

Birmingham City Centre is well served with rail links to New Street Station and Snowhill Station, both of which are within a short walk of our offices. Moor Street Station is also close by.

In addition, there are numerous bus routes to and from the City Centre but we recommend travel times and route details are checked with local operators.
